10. City Council Discussion

- A. Discussion and/or action to discuss the N.E. Trail activities with Hank Pickering.

Hank is traveling and was not present.

***Sharion Scott informed the City Council that the trail friends are cleaning up,
mowing & trimming trees.***

- B. Discussion of information with Gene Dawson of the ESD of Hunt County Emergency Services

***Gene Dawson was present to talk to the city council about the Hunt County Emergency
Services District. The ESD would be something that would have to be placed on the ballot for
voters to approve. Not sure when it will appear, but possibly on the November 2020 ballot.
Approval of the ESD would levy an additional tax on property tax that would generate specific
funds designated for Hunt County Fire Departments, mostly volunteer departments and would
exclude the City of Greenville and City of Commerce. There is a meeting planned for March 16th,
6:00 pm @ the Fletcher Warren Center in Greenville. This meeting will help to get information out
to the citizens of Hunt County so they can make an informed decision when this is put on the
ballot.***
